

Wildcard Wednesday- Volcano Experiment

Ingredients:

4 tablespoons baking soda
1 cup vinegar
1 spoon
1 big bowl or plate (to hold the spillage)
1 narrow top bottle
Food coloring

Directions:

1. Place bottle in the big bowl.
2. Pour the baking soda into the bottle carefully.
3. In a separate beaker or cup, pour the vinegar.
4. Add some drops of food coloring to the cup of vinegar.
5. Pour the vinegar into the narrow top bottle that holds the baking soda.
6. Enjoy the eruption!
